FROM:    ROB BOVETT, CREA LEGAL COUNSEL
SUBJECT: PROPOSED AMENDMENTS TO CREA INTERGOVERNMENTAL AGREEMENT

ISSUE: Whether the CREA Intergovernmental Agreement (IGA) should be updated and amended as provided in the attached proposal referred to the CREA Membership by CREA Legal Counsel.

BACKGROUND: In conjunction with updating the CREA Bylaws, the CREA Executive Director also asked CREA Legal Counsel to review and make recommended changes to CREA’s IGA. CREA Legal Counsel has provided the CREA Executive Director and CREA Membership with the attached proposed amendments to the CREA IGA, which harmonize with the proposed CREA Bylaw amendments, as well as making additional updates and improvements. NOTE: It appears that various forms of the CREA IGA were adopted by various members at the time of joining CREA. That needs to be cleaned up. The attached draft amendments utilize the original CREA IGA entered into by the first two founding member, namely Hood River and Sherman Counties, as the base upon which to make amendments. If the Membership approves of proposed changes to the CREA IGA, CREA Legal Counsel strongly recommends that each CREA local government member that has formally adopted the CREA IGA adopt the same precise amendment recommended by the CREA Membership, whatever that might be, such that everyone is operating from the same IGA.

ATTACHMENT: Proposed amendments to the CREA IGA are attached. NOTE: Language in boldfaced type in an amended section is new; language [italic and bracketed] is existing language to be omitted. New sections are in boldfaced type.
